

Early Years Foundation Stage Weekly Update

Friday 15th September 2023

Dear Parents/Carers

It has been lovely to welcome the children into our nursery and reception classes. As a team we are thrilled with how well the children have settled into nursery/school life.

Below is a weekly update from all three EYFS classes. Every Friday, a weekly update is added to our class pages as well as to the EYFS Newsletter section on the school website. We hope you enjoy reading and seeing what has been happening each week in your child's class.

As a staff team, we look forward to working with you and your child.

Have a lovely weekend.

Mrs Reeve & the EYFS Team

Class Sunshine

We have had another lovely week in Sunshine Class. On Monday we read a story about having a positive growth mindset and a baby bird who couldn't fly. The bird kept trying and did not give up, despite meeting a few obstacles along the way. We talked about how we should be like the bird and persevere even when things are tricky.

We have also talked about our families and had a go at drawing them. We have some budding artists in our class who drew some amazing pictures.

On Thursday afternoon we explored the nursery garden. The children loved the mud kitchen and the newly created fairy garden.

Here are a few reminders:

- Please make sure your child has spare clothes in nursery everyday.
- Please bring wellies and slippers if you haven't done so already.
- Children who stay all day should bring a piece of fruit or a vegetable to eat in the afternoon. Please put their name on it.
- You are invited to become a member of our Facebook group- [Salesbury CE Sunshine Class 23-24 | Facebook](#) Only parents and carers may join this group. We post regular messages and photos during the week and send out reminders of special events taking place.

Have a lovely weekend

Mrs O'Mahoney and Miss Healey

Class Star & Class Moon

We have been super busy this week in Star and Moon Class!

This week, the children have continued to settle well into their classes and new environments. We are so proud of how confidently and independently children have been coming into school in the mornings when walking from the gate into their classrooms.

This week we put on our coats and wellies and spent an afternoon session in the Outdoor Explorers area where we used our imaginations to open an ice cream shop in the willow structure and gross motor skills to climb onto the seesaw. We had lots of fun during our first PE lesson with Sports Cool on Friday where we played lots of fun games to get our bodies moving. We also enjoyed experimenting with different instruments, painting our portraits and exploring the Adventure Playground.

Here are a few reminders:

- Please bring in a labelled pair of wellies to keep in school as we play outside in all weathers.
- Children can bring in a pair of labelled slippers to wear whilst inside.
- If you haven't already, please join our class Facebook pages for photos of our learning and reminders.

Thank you for letting us know when another family member is picking up at home time- this really helps as we get to know everybody!

Well done Reception, see you on Monday for another busy week,

Miss Pomfret and Miss Cummins
