

Write the value of each coin:

--	--	--	--	--	--	--	--

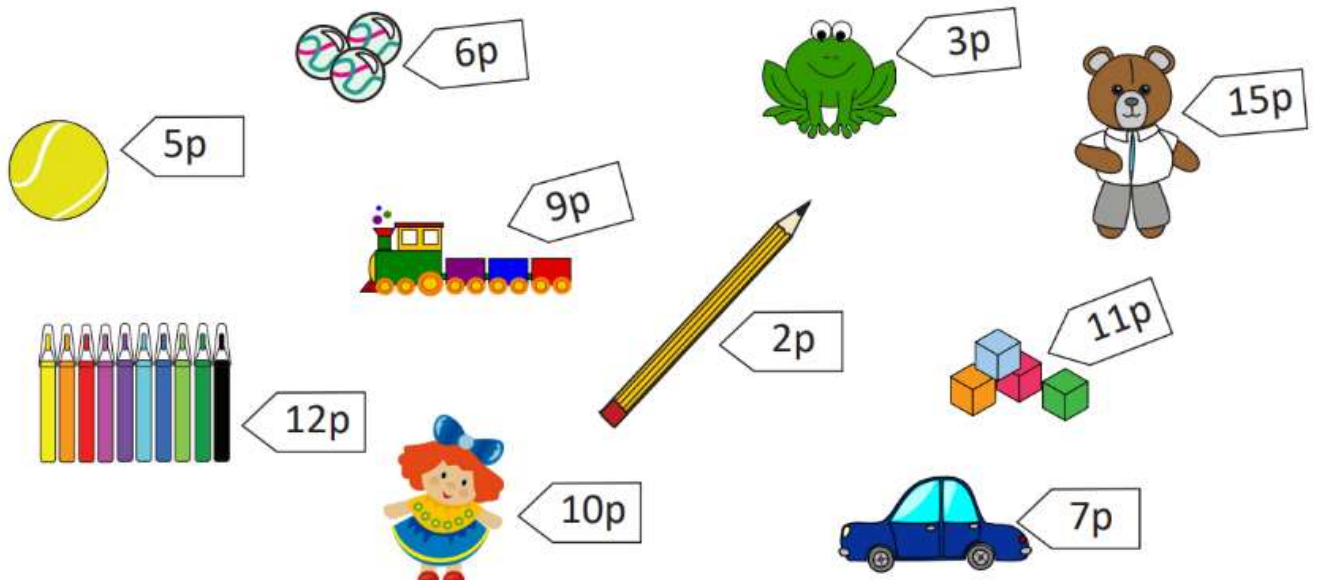

Write the total value of each group of coins:

Draw the coins needed to make the amounts:

<b>8p</b>	
<b>12p</b>	
<b>19p</b>	

If you had 20p to spend in the toy shop, how much change would you get for each item? (Think of number bonds to 20!)

Find 3 toys that you could buy together with your 20p.
