

Year 1 Home Learning English Task

Before Christmas, we explored the story 'The Snowman'. We retold the story through drama, watched clips and even wrote our own narrative to go alongside the picture book.

Watch the clip below of the Snowman and the boy flying.

[The Snowman - Walking In The Air](#)

Have a think about where else the Snowman and the boy could have flown? Where might they fly to to explore? When they look down, what can they see? How do they feel?

Become an author and have a go at writing your own section of the Snowman, telling the reader where he and the boy fly to!

Some ideas to get you started:

- Up to space, seeing green aliens, rapid rockets and new, sparkly planets
- Over the desert, looking down on camels and a tall, spikey cactus
- Over London, narrowly avoiding the towering Big Ben
- They could spot a park below and swing high on the swing or zoom down the slide

Don't forget:

- Finger spaces
- Capital letters
- Full stops
- Exclamation marks
- Adjectives to make your writing more exciting
- Robot arms to help you segment and sound out words

Try and write at least 3 sentences!
